

How Basketball Saved My Life

Sponsorship Request

WHO WE ARE.

HSMBL is near and dear to my heart because of what basketball has done for me in my life. Local youth sports (***basketball in particular***) begins the foundational growth for character development, work ethic, teamwork and self-esteem. We take pride in being able to use our experiences to teach the youth how to succeed athletically, and becoming future contributors in their community. Basketball may not save everyone's life, but I know without a shadow of a doubt it can, and will teach everyone; how to work hard, be dedicated, and be unrelenting in in the journey of life.

THE GYM

In addition to this nonprofit, we will be opening a basketball training facility. The gym will be a 6,000 square foot building with 1 middle school-sized full court, a miniature half court, and a modest workout area. It will be equipped with one office, and a bathroom. The full court will have 3 goals (2 facing each other, and 1 down the center). It will have vertimax, and a shooting machine. The little court will have one goal in it.

This gym will allow our players to have a safe and secure place that they can rely on and call home, while continuing to improve their skills and grow as individuals both on and off this court. It will be located in the heart of Norman at 1050 N. University Blvd.

SPONSORSHIP PACKAGES

Layup	\$1,000.00
Free Throw	\$2,500.00
3-Pointer	\$5,000.00
Half Court	\$10,000.00

All sponsorship packages include a banner, and logo and highlighted throughout the year on our social media marketing. Half Court sponsors will have priority booking to use the facility, with advanced notice.

Donations

Donations will go towards sponsoring the cost of training for youth who cannot afford the standard rates, team activities for those who cannot afford to participate –that’s our scholarship program. If you prefer to sponsor an athlete directly, we will be able to provide more information on that athlete without disclosing his or her identity. We also hope to accumulate enough funds that we can assist High School Seniors with college when they get to that point. In addition, we will be active in the community, both during the holiday seasons and off. Funds will also go towards any maintenance needing to be done to make sure the youth have the safest equipment.

Community

Please contact us if you are able to support our efforts to make a difference in our community. Thank you so much for the consideration, and we hope to hear from you soon.

Sincerely Yours,
